RE: Addition to Gallatin Gateway Elementary
JGA #0021

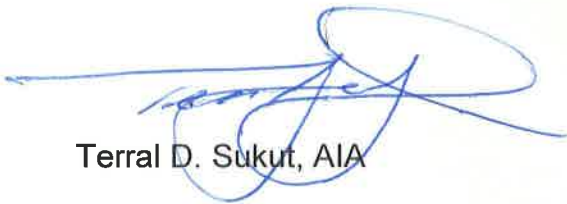

Kim:

With the recent completion of your new school, we need to provide you with the following statements regarding asbestos in your school. This letter should be placed with your AHERA Management Plan.

To the best of our knowledge, understanding, information and belief, no asbestos containing building materials were specified in the construction documents or given approval in shop drawings or submittals, for the Addition to Gallatin Gateway Elementary.

If you have any questions or concerns, please call.

Sincerely,

Terral D. Sukut, AIA
