

FOR IMMEDIATE RELEASE

March 30, 2015

Gallatin Gateway Book Fair

Gallatin Gateway, MT – During the week of March 23, the Gallatin Gateway School held its annual Used and Scholastic Book Fair. The school library opened its doors to students, community members, and parents to raise funds to purchase new library materials. Many families in the community donated used books from their own collections to benefit the school. All genres of books were welcome with an emphasis on preschool picture books and children’s literature books.

Our very own fourth-grade class played a major role in the success of the GGS book fair. Throughout the year, they have been learning about the aspects of maintaining a successful library including: the Dewey Decimal System, shelving books, and the online card catalog. With the leadership of Mrs. Krob, this year’s class sold a total of \$1,157.12. Earning not only knowledge of operating a library, but also providing community service, the fourth-grade class dedicates two fundraising events and one field trip throughout the school year.

The Gallatin Gateway School would like to give a big “Thank You” to the parents and members of the community who donated to and attended the event.
