

FOR IMMEDIATE RELEASE

April 17, 2015

### **Science Fair**

Gallatin Gateway School, MT- Gallatin Gateway School is hosting its annual 1<sup>st</sup> grade science fair on April 24 from 1pm-3pm. Students have been learning about the scientific method, including how to write a hypothesis, procedures, and a conclusion. Along with learning the scientific method, students have been recording results and observations into a science journal for each step of their experimental process. Entries will be judged on organization, presentation, and creativity by three community judges, including:

- Matt Elwell
- Lyn Morton
- Linda Rice

Student's projects will range in topics from earth, life, physical, and space science. Each "scientist" will pick and research their own topic, based on personal interests.
