

FOR IMMEDIATE RELEASE

March 27, 2015

Talent Show and Art Auction

Gallatin Gateway, MT – Gallatin Gateway School is having its annual Talent Show and Art auction to benefit the fine arts program on March 27, 2015. The show will begin at 6:00 p.m. in the school gym. Fifteen talented students will be showcasing their abilities with instruments, singing, and acting.

Between the acts of these students, a live art auction will be held. These handmade, one of a kind pieces were created by each homeroom class:

1. Kindergarten-Stepping Stones
 - The Kindergarten class has been studying mosaics and six individual stepping stones are available to bid on.
2. First Grade-Hand Painted Side Table
 - A special thanks goes to Jeff Krogstad for drawing some wonderful animals onto the table and the kids were able to show off their painting abilities by filling in the sketches.
3. Second Grade- Patio Garden Bench and Birdhouse
 - A hand painted patio bench and birdhouse was created by the second grade class to bring color and creativity to any backyard.
4. Third Grade-Children's Play Tipi
 - This tipi symbolizes what is important to the students in their classroom, just as a traditional tipi shows the importance of the tribe it resides in.
5. Fourth Grade- Aquarium
 - This "Under the Sea" aquarium was a surrealism-inspired collage created by layered tissue paper to represent the sea and the sand.
6. Fifth Grade-Canvas Panels
 - Using canvas art panels the fifth grade class created a "Tree of Inspiration."
7. Sixth Grade-Dip Tray
 - This ceramic hand painted dip tray was inspired by the sports that each student enjoys.
8. Seventh Grade-Ceramic Bowls
 - These snack bowls were each hand painted and inspired with a family fun night in mind.
9. Eight Grade-Cookie Platter
 - This hand painted platter was inspired by the cookies that every family loves.
