Library Contests at Gallatin Gateway School

Box Tops for Education

Gallatin Gateway, MT – Friday, February 28, 2014 will conclude Gallatin Gateway School's Box Tops Class Challenge. The goals for this challenge are to raise \$1,000 for the GGS school library and to have 100% student participation. Grades K – 8 will compete against each other to see who can collect the most Box Tops.

Participants earn cash for the Gallatin Gateway School Library by clipping Box Tops coupons from hundreds of participating products and placing them in the can located at the GGS Office. Each Box Top is worth ten cents in cash. Box Tops also offer easy ways to earn even more cash for the school online. For more information about how Box Tops benefit schools and where to find them, visit www.boxtops4education.com.

Read the Most from Coast to Coast

Read the Most Coast to Coast is a nationwide challenge that will take place on Friday, February 28, 2014. In this fun, exciting event, students across the country unite to top the record for the most Accelerated Reader Quizzes taken in one day. This year they will attempt to top last year's record and STRIVE for FIVE million quizzes. Students who participate in the AR quiz challenge will receive a National certificate of participation and a chance to win various prizes.

Millionaire's Club

Students at Gallatin Gateway School who participate in the Read the Most from Coast to Coast challenge will have the opportunity to reach their personal goals of mastering new reading levels.

The AR program offers 8 reading levels for students to master and with each goal they reach, the students receive a dog tag with the goal on it. Students may also receive point tags in which the program keeps track of how many points a book is worth and the point accumulate with every test taken.

Along with the dog tags, the program keeps track of the total number of words read from the first year students starts taking AR tests. Once a student reaches a million words, their name goes on our Millionaire's Club wall with the grade they are in and the year they reached a million words.
