

SCHOOL DISTRICT ORGANIZATION

Goals and Objectives

The Board shall annually review and/or adopt long and short range goals and objectives to guide the District in the areas identified by the Board for school improvement. The Board may seek input from community members, parents, students, staff members and other interested individuals in developing these goals and objectives.

Vision:

Educating the Future

Mission:

The Gallatin Gateway School community is dedicated to enabling our students to be lifelong learners and productive citizens by meeting their needs in a positive atmosphere in which diversity is valued.

Philosophy:

The Trustees of School District #35 are guided by the conviction that every student has the right to the best education this community can provide. Responsibility for this rests with all citizens, parents, school staff, and students, with the ultimate responsibility for direction and decision-making being assumed by the Board of Trustees.

The Board will exert leadership in creating, maintaining, and improving the school for the children's educational needs. The focal point of concern in our school system is the student. Organization, staffing, programming, teaching, and funding will all be developed to enhance positive opportunities for students to learn and develop personally, academically, and socially.

NOTE: Reference to "parents" in board policy shall mean parent, caretaker relative, legal guardian, or legal custodian.
