OLD BUSINESS

An additional change to Article 22 further identifying the teaching teams was tentatively agreed upon.

Article 22- Credit Recognition- Payment will be made for approved credits. These credits shall be in areas that develop general background information and/or teaching skills. All credits must ~~first~~ be approved by ~~a~~ the Professional Development Advisory Committee before applying for the salary step-up. The Professional Development Advisory Committee ~~will consist of the Administration, and two teachers chosen by the Association~~ shall include the Superintendent, a Board Member, and teachers. The majority of the committee shall be teachers, preferably a member from each teaching team (K-2, 3-5, 6-8) and a specialist. The committee will use the consensus approach in determining credits beneficial to the District's curriculum. If consensus can not be reached, the committee members will make recommendations to the Board who will have the final decision. A teacher who completes approved college credits ~~an approved course of college training~~ by September shall receive the appropriate salary increment that school year. ~~Provided~~ However, such teacher ~~has~~ must notify ~~notified~~ the Administration in writing of his/her intent to gain credits before the first (1st) of April preceding the school year in which the planned increment will become effective. Each teacher shall file an official transcript of said credits with the Administration no later than the thirty-first (31st) of December ~~31st~~. The appropriate salary increment shall be received as soon as an official transcript is provided to the Administration and shall be retroactive to the beginning of that school year.

Members decided further clarification of Articles 8.2, 12.1, and 20 was warranted. Brian Ehli will be invited to attend an upcoming meeting.

NEW BUSINESS
