DISCUSSION ITEM

Bond Information

Presented by: Aaron Schwieterman, Tim Melton, Kelly Henderson

Background (to include funding source if applicable):

The Facilities committee has been discussing the possibility of asking for a capital bond, May 2024.

The uses of the bond funding would be replacement of HVAC throughout the building, renovation of the Kitchen, and additions of classroom space (possibilities are renovations of the locker rooms into classrooms or renovation of the old building into classrooms).

We are interested in employing an Owner's Representative to facilitate this process in the timeline available.

Tasks to complete:

- Establish the priorities of the bond
- Engage the Community
- Establish PAC and Community Group

ACTION ITEM

Intercap Loan

Presented by: Kelly Henderson/Brittney Bateman

Background (to include funding source if applicable):

We currently have a Building Reserve Levy for \$60,000 for 5 years beginning 2022-2023

We are interested in applying for an Intercap Loan to leverage the funds we receive from the voters. Instead of using the \$60,000 on projects that are not advancing the condition of our facilities, we are interested in utilizing the funds for safety and security improvements (cameras, door security, intercom systems, etc.).

The Intercap Loan is available to us through the Board of Investments with an interest rate of 5.75% (autopay). We can only get the loan for 4 years (duration of the bond funding).

Positives	Challenges
We can leverage the funds to advance projects	Paying interest (we would have to remember to take the interest off the top of the loan)
Show voters that we are being responsible with the funds they have already given us	This funding relies on tax collection. Late and back taxes make it difficult to know what we will be receiving and what we won't. This year we've collected \$37,000 of the \$60,000 we are due. We are still collecting late/back tax funding from the prior levy.
Solve safety and security issues/concerns	

Priorities of Funding Use: Advancement of safety and security

Other Ideas:

Recommendation: Administration recommends approval to apply for the Intercap Loan and gives the Superintendent authority to apply for the loan.

INTERCAP

Since 1987, INTERCAP has been a valuable, low interest loan resource for eligible Montana government units as defined under 17-5-1604, MCA. The INTERCAP program is a variable rate loan program, where interest rates are adjusted on February 16th of each year. Eligible projects have wide flexibility, e.g. new and used equipment and vehicles, real property improvements, cash flow, preliminary engineering costs, and grant writing.

Owner's Representative – Upcoming School Building Projects

Project Background:

In November 2019 the Gallatin Gateway School Board began the process of moving forward with a facility project. In March 2020, the Board hired the design-build team of Cushing Terrell/Martel to assist with the project. The Design-Build team along with our building committee held several meetings to develop a concept for the project. In May 2021, the District held a bond election with following bond language:

*Shall the Board of Trustees of School District No. 35 (Gallatin Gateway), Gallatin County, Montana (the "District"), be authorized to sell and issue general obligation bonds of the District in one or more series in the aggregate principal amount of up to **Seven Million and No/ 100 Dollars (\$7,000,000.00)**, bearing interest at rates to be determined at the time of the sale, payable semiannually, during a term as to each series of bonds of not more than twenty (20) years, for the purpose of paying the costs of designing, constructing, remodeling, renovating, equipping, and furnishing improvements to the Gallatin Gateway school facilities consisting of the original 1915 school building and all adjacent buildings to accommodate growth and address safety concerns, to include renovating the school facilities to provide a **new secure school entrance, additional and improved teaching, spaces, access improvements consistent with the Americans with Disabilities Act, adding a new kitchen, teacher support space, and gymnasium and cafeteria seating; replacing aging systems and infrastructure, including upgrading mechanical, electrical, plumbing, fire alarm, and security systems; installing a fire suppression system; and making various site improvements; related improvements and costs; and paying costs associated with the sale and issuance of the bonds***

On May 4, 2021, the bond failed 291 to 360.

The Gallatin Gateway School District ("District") would like to engage the services of an individual to manage all aspects of the pre-construction phases including design and planning on their behalf up to the running of a Bond with an anticipated election in May 2022. The District is seeking assistance with pre-construction services at this time and a separate agreement would be made contingent on a bond passing for the construction services outlined in the scope of the project.

Information regarding the May 2021 election can be found on the district website:

<https://www.gallatingatewayschool.com/About-Us/School-Board-of-Trustees/School-Bond-Election/index.html>

Information regarding the facility can be found on the district website:

Owner’s Representative Selection Process

Proposed Process: Owner’s Representative candidates will be assessed by a committee designated by the Owner on the following objective / subjective scale. The three candidates with the highest numeric scores will be “shortlisted” and invited to interview before the selection committee. Unsuccessful candidates will be notified immediately after the selection process is completed. After interviews numeric scores will rank the three candidates, and the Owner will begin contract negotiations with the preferred candidate (highest score). If negotiations are successful the other candidates will be informed immediately. If the negotiations with the preferred candidate are unsuccessful negotiations will be formally terminated by the Owner and started anew with the second ranked finalist, and thus until a suitable agreement can be reached. Candidate scores will be made public after the selection process has concluded.

Alternate Process: Depending on the number and quality of submittals received, the Owner may choose to make the selection of the preferred Owner’s Representative candidate based on the submittal information alone, and may decline to conduct the interview stage of the selection process. In this case the selection scoring will be made public as soon as the selection is made.
